**CASE NO. 12-MD-02311  
HON. MARIANNE O. BATTANI**

**2:12-cv-00101-MOB-MKM**

**DECLARATION OF DAVID GARCIA**

I, David Garcia, hereby declare as follows:

1. I am the Client Services Director employed by Epiq Class Action & Claims Solutions (“Epiq”) in Beaverton, Oregon. I am familiar with the actions taken by Epiq with respect to the settlements reached in this case between the Direct Purchaser Plaintiffs and the Chiyoda, Fujikura, Lear, LEONI, G.S. Electech, Sumitomo, Tokai Rika, and Yazaki Defendants and the corresponding Claim Forms submitted and the processing of the Claim Forms. This declaration is based upon my personal knowledge and information provided to me by Plaintiff’s counsel, and associates and staff under my supervision, and is accurate and truthful to the best of my knowledge.

2. Epiq is a full-service data processing company and has been administering bankruptcies since 1985 and settlements since 1993, including settlements of class actions, mass tort matters, SEC and FTC disgorgement actions, and other major litigation. Our associates include technology experts, attorneys, paralegals, MBAs, and CPAs. Epiq has administered more than 1,000 settlements in some of the largest and most complex cases ever settled.

3. Epiq is a firm with more than 20 years of experience in data processing, claims processing, and settlement administration. Epiq’s class action case administration services include

coordination of all notice requirements, design of direct-mail notice, receipt and processing of opt-outs and objections by potential class members, coordination with the United States Postal Service, claims database management, claim adjudication, fund management, and distribution services. Epiq works with the settling parties, the Court, and the settlement class members in a neutral facilitation role, taking the negotiated terms of a settlement and implementing settlement administration services.

4. In its capacity as Settlement Administrator, Epiq was retained to receive, review, and process the Claim Forms that were submitted, to handle Claimant communications and inquiries, audit claims when necessary, and to otherwise assist Settlement Class Counsel in the administration process.

#### **Summary of Claim Forms Received**

5. The deadline for submitting a Claim Form was September 15, 2017. To date, Epiq has received 964 Claim Forms, with claims totaling \$60,557,581,895.82. (The last Claim Form was received on July 23, 2018.) Attached hereto as Exhibit A is the Claimants Listing (“Claimants Listing”), which lists and categorizes the claims filed.<sup>1</sup> Of the 874 individual, non-duplicative<sup>2</sup> Claim Forms filed, 819 were postmarked on or before the September 15, 2017 submission deadline and 55 were postmarked after September 15, 2017. Epiq recommends that the 55 late-filed Claim Forms be considered timely because they did not materially delay the ultimate processing of the Claim Forms submitted on or before September 15, 2017.

#### **The Deficiency and Audit Processes**

6. After our initial review of the claim submissions, Epiq sent letters to 813 Claimants advising them that their claims appeared to be deficient, and of the nature of their claim’s

---

<sup>1</sup> Due to the sensitive nature of Claimants’ information, claims are identified by their assigned Claim Numbers only.

<sup>2</sup> There were 90 duplicate claim submissions.

deficiency. These Claimants were given thirty (30) days to cure their respective deficiencies. A sample of each type of deficiency letter is attached as Exhibit B.

7. Each Claimant that failed to cure its deficiency, or that withdrew its claim, was mailed a denial letter advising it that Settlement Class Counsel would recommend to the Court that its claim be disallowed in its entirety. Samples of the denial letters for those who failed to cure the deficiency are attached hereto as Exhibit C. A sample of the denial letter for those who withdrew their claim is attached hereto as Exhibit D. None of the recipients of these letters have contested Epiq's determination.

8. Epiq audited all remaining Claim Forms. The audit included a review of each Claim Form along with any sworn statements or affidavits supporting the Claimed Purchases and any supporting documents, such as spreadsheets, copies of invoices, and/or billing summary reports that were included with the Claim Form.

9. In April of 2018, Epiq sent audit letters to 61 Claimants. The audit letters requested additional information from Claimants about their claimed purchases. A sample of the audit letter is attached hereto as Exhibit E. Of the audited Claimants, 44 Claimants provided responses that cured their respective claim issues, in whole or in part. Each of these Claimants was informed of Epiq's determination regarding their claim, and none of them have contested Epiq's determination. Samples of Epiq's partial and total approval determination letters are attached as Exhibit F. A total of 17 Claimants failed to submit information qualifying their claims, and were sent denial letters informing them that their claim would be recommended for disallowance in its entirety. None of these Claimants have contested Epiq's determination. A sample of Epiq's denial letter is included in Exhibit C.

### **Claims Processing Results**

10. Epiq completed its claim-audit process in August 2018. As used herein, "Claimed Purchases" refers to the total of all purchases listed on a Claim Form. "Recommended Disallowed Purchases" refers to Claimed Purchases that Epiq recommends be disallowed for one or more of the following reasons: (1) the Claimant failed to provide required information or documentation in support of the purchases; (2) the purchases were made from non-defendants; (3) the purchases were of non-eligible products; (4) the Claimant withdrew its claim; and (5) the purchases were duplicative. "Recommended Allowed Purchases" is the total amount of Claimed Purchases that Epiq recommends for payment.

11. Epiq recommends issuing payments to 142 Claimants who filed valid, or partially valid, claims. The Recommended Allowed Purchases for these 142 claims total \$42,434,573,561.18. Below is a summary of the 142 claims recommended for payment:

	<b>Total Claims</b>	<b>Claimed Purchases</b>	<b>Recommended Disallowed Purchases</b>	<b>Recommended Allowed Purchases</b>
<b>Postmarked On or Before September 15, 2017</b>	121	\$29,945,551,127.07	\$19,258,625.39	\$29,926,292,501.68
<b>Postmarked After September 15, 2017</b>	21	\$12,509,174,113.60	\$893,054.10	\$12,508,281,059.50
<b>Totals</b>	142	\$42,454,725,240.67	\$20,151,679.49	\$42,434,573,561.18

The Claimed, Allowed and Disallowed Purchases, along with the reasons for disallowance, are set forth for each of these claims in the Recommended Payable Claims section of Exhibit A.<sup>3</sup>

<sup>3</sup> Six of these 142 claims are recommended for partial approval

12. Epiq recommends the disallowance of 822 Claim Forms in their entirety. The Claimed Purchases and Recommended Disallowed Purchases for these claims, along with the reason for the recommended disallowance, are set forth for each of these claims in the Recommended Non-Payable Claims section of Exhibit A. A summary of the 822 Claim Forms being recommended for disallowance in their entirety is as follows:

	<b>Total Claims</b>	<b>Claimed Purchases</b>	<b>Recommended Disallowed Purchases</b>
<b>Postmarked On or Before September 15, 2017</b>	788	\$8,031,567,875.91	\$8,031,567,875.91
<b>Postmarked After September 15, 2017</b>	34	\$10,071,288,779.24	\$10,071,288,779.24
<b>Totals</b>	822	\$18,102,856,655.15	\$18,102,856,655.15

#### **Payments for Settlement and Claims Administration Services**

13. Epiq began performing Settlement and Claims Administration services in this case in 2014. Epiq has received payments totaling \$599,456.05 for its services rendered and costs incurred through August 31, 2018, relating to notice, taxes, and settlement and claims administration. Since that date, Epiq has continued to work with Settlement Class Counsel, to correspond with Claimants, and has prepared this declaration and attachments. Epiq will continue to submit invoices to Settlement Class Counsel for services provided in the future on a periodic basis until the Settlement Administration is concluded.

#### **Proposed Process for Distributing the Net Settlement Fund**

14. Epiq will continue to process any correspondence or information submitted by Claimants with respect to their already-filed claims. Should there be adjustments to Claim Forms

prior to the final distribution of the Net Settlement Fund, we will update our records with the new information. We will then report the updated totals to Settlement Class Counsel.

15. If the Court grants the motion to distribute the Net Settlement Fund, Epiq will: (1) calculate the *pro rata* distribution amount for each claim by calculating each payable claim's percentage of the total allowed purchases and applying that percentage to the total dollar value of the Net Settlement Fund available for distribution in accordance with the Court's Order; (2) prepare and mail distribution checks to Claimants with payable claims ("Authorized Claimants") by prepaid first-class mail; (3) issue replacement checks upon request by Authorized Claimants; and (4) respond to inquiries from Authorized Claimants about claim and check calculations.

16. To encourage Authorized Claimants to cash their distribution checks promptly and to avoid or reduce future expenses relating to uncashed checks, all distribution checks will bear the notation: "void if not negotiated within ninety (90) days of date of issue."

17. In an effort to have as many Authorized Claimants as possible cash their checks, Epiq will perform follow-up with those Authorized Claimants whose checks are initially un-cashed after the ninety (90) day period has elapsed, either because the checks are returned as undeliverable or because the Authorized Claimant did not cash the check.

18. For Authorized Claimants whose checks are returned as undeliverable, Epiq will attempt to locate new addresses by running the undeliverable addresses through online databases and/or by calling or otherwise contacting those Authorized Claimants. If a new address is located, Epiq will update the database accordingly and re-issue the distribution check to the Authorized Claimant at the new address.

19. In the event an Authorized Claimant loses or damages their check or otherwise requires a new check, Epiq will issue replacements upon receiving written instructions from the

Authorized Claimant, provided that the Authorized Claimant returns the first check where appropriate.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct. Executed on this 9th day of October, 2018 in Lake Elsinore, CA.
